GRANITE UNDERWRITING

Additional Clauses/Warranties attaching to this quotation : 11540576

MTPC03: Late Claim notification Excess

It is hereby noted and agreed that a £500 late claim notification excess shall apply to all claims unless reported within 24 hours of any incident that may lead to a claim.

Subject otherwise to the terms, conditions and exclusions of this policy.

MTPC01: Motor Insurance Database Disclosure

You are required to record the following information and subsequent amendments on the Motor Insurance Database (MID).

1. The Vehicle registration mark, make and model of all Vehicles owned by You.

2. The Vehicle registration mark, make and model of all Customer Vehicles which are in Your custody or control in connection with Your trade for more than 14 days.

3. The Vehicle type, if Endorsement MTC33 is shown in your Policy Schedule.

Timescales for Vehicle disclosure:

Where Your trade involves buying and selling Vehicles

1. You must register all Insured Vehicles on the MID within 24 hours of purchase.

2. If You sell a Vehicle, You must remove it from the MID within 24 hours of sale.

Where Your trade involves working on Customer Vehicles

1. You must register all Customer Vehicles on the MID immediately once they have been in Your custody or control in connection with Your trade for more than 14 days.

2. When You return a Customer Vehicle to the owner of the Vehicle, You must remove it from the MID within 24 hours.

Where Your insurance policy is for the purpose of Continuous Insurance Enforcement (off hire)

1. You must register all Insured Vehicles on the MID within 24 hours of being removed from an alternative insurance policy.

2. When an Insured Vehicle becomes insured by an alternative insurance policy, You must remove it from the MID within 24 hours of sale.

Failure to comply with the terms and conditions relating to the MID may result in the cancellation of Your policy, possible prosecution, a fine up to £5,000 and Your details held on the Motor Insurance Database as a defaulter. The Insurer will not be liable for any loss or damage to any Vehicle which has not been recorded in the MID according to the above terms.

MTC29: Maximum sum insured

It is hereby noted and agreed that the total Maximum Sum Insured at the Trade Premises at any one time is: £50,000

Vehicles in the open increased excess:

In respect of Insured Vehicles and Customer Vehicles which are not contained in a securely locked building at the Trade Premises outside of business hours the policy excess will be increased to £750 per Insured Vehicle and/or Customer Vehicle and to a maximum of £2,500 for any one claim.

Subject otherwise to the terms, conditions and exclusions of this policy.

MTC31: Test Driving

Notwithstanding anything to the contrary contained in the General Exclusions, this policy shall be operative while the policyholder is test driving any vehicle during the hours of 8AM and 8PM only, with the intention of purchasing the vehicle, provided that the owner of the vehicle is accompanying the policyholder at all times.

The indemnity afforded under this endorsement is for Third Party Only (Section B - Claims by third parties of the Policy Booklet).

Test driving outside of the above time period requires prior approval from the underwriter.

Subject otherwise to the terms, conditions and exclusions of this policy.

MTC33: Recording Vehicle Type in MID

All Insured Vehicles must be recorded as "Insured Vehicle" in the Type field of Your Motor Insurance Database. All Customer Vehicles must be recorded as "Customer Vehicle" in the Type field. We may request for the V5, purchase and / or sale receipts for each Insured Vehicle, and records Customer Vehicles in your custody or control.
