Your setup of scheduled payments

Hi Abdul,

You have chosen to pay your insurance premium monthly. We have detailed the schedule below. We will attempt to take your monthly payment on the dates shown in the schedule by Direct Debit using the bank details provided.

The payment dates are approximately 7 days before the monthly renewal date. If we are unable to collect the payment on these dates, we will email you to advise of the unsuccessful payment. We will make a second attempt for payment up to 7 days later using the debit or credit card saved on file. If we are unsuccessful on the second attempt your policy will be cancelled as per our terms of business.

We will not charge you any fees for missed payments nor will we charge you for cancelling the policy due to non-payment of premiums. It is important that you keep your payment details up to date so that we can take your scheduled payments. If you need to change the payment card during the policy, you can do so by calling our team.

If you need any extra help, check out the **FAQ** section **https://www.Admiralbusiness.com/faqs** on our website or give us a call on **020 3808 7099**. Quotation

Admiral Business provides quotations based on the information you provide. When you purchase a policy, your documentation will detail the questions asked and your answers. Admiral Business has the right to decline to insure you, increase premiums or restrict cover prior to acceptance of the quotation.

Misrepresentation

Failure to answer all questions accurately and honestly could render your insurance invalid or reduce the amount paid. The questions we ask are those which influence the assessment and acceptance of your quotation. Any misrepresented details could lead to the cancellation or voidance of your policy or reduce the amount paid for any claims. You may also be required to pay additional premiums. If your policy is cancelled as a result of misrepresentation or if it is rendered void, you will not be entitled to a refund of any premium.

Administration Fees

Admiral Business will not charge any fees for setting up, renewing or making changes to your policy.

Making a Claim

You can notify us of a claim and incident by calling 020 3808 7099 or email: claims@admiralbusiness.com.

If a claim is made or an incident that may lead to a claim occurs during the period of insurance, the full annual premium that has been collected will be retained. If you pay by instalments, we will either deduct the remaining premium from your claim settlement or you will need to ensure that the balance is paid.

Paying by Instalments

This insurance policy is paid on a 12-month subscription basis. The premium will be spread over 12 monthly instalments and each instalment represents 1 month's cover. It is your responsibility to ensure that the payment details we hold are correct and up to date. If a payment is unsuccessful, we will attempt to retake the payment from the card that we hold on file. In the event that this fails we will notify you and you will need to contact us within 7 days to make a payment otherwise the policy will be cancelled and there will be no cover in force.

Renewing your Policy

Where your policy is due to automatically renew, we will apply for payment up to 7 days before your renewal date. It is your responsibility to ensure that payment has been made and that your policy has been renewed. If we are unable to auto-renew your policy for any reason, cover will cease at the end of your original policy term.

Cancellation of your Policy

We may cancel your policy at any time by sending a minimum of 7 days' notice if you:

- Fail to respond to requests for further information or documentation.
- Fail to make a payment.
- Fail to disclose facts that may affect the cover provided.
- Use abusive or threatening behaviour towards our staff.

If a claim is made or has arisen during the period of insurance the full premium is payable and no refund will be given, this is applicable regardless of the payment method.

You may cancel your policy by calling us on 020 3808 7099. With customers in mind Admiral Business do not charge any fees to cancel, however, any outstanding amount owed on the policy will need to be settled in full on the date of cancellation and if applicable any refund will be processed within 24 working hours, however please note payments can take up to 5 days to show in your account.
