Additional Warranties Applying to the Whole Policy

We do not provide any cover for fire, theft, attempted theft or malicious damage whenever Your Vehicle is left unattended unless

- it is kept in a locked building of substantial construction or
- in a locked compound surrounded by secure walls and/or fences

except for comfort breaks taken for no longer than 60 minutes on the same premises as the vehicle. **It is agreed that being asleep in the cab is deemed to be attended**

No Cover shall apply to any vehicle for damage caused as a result of

- wear and tear, gradual deterioration, scratching and bruising
- damage caused by or attributable to mechanical, electrical &/or electronic breakdown, malfunction or failure of the towed vehicle
- damage to tyres by punctures, cuts or bursts
- loss or damage attributable to insufficient &/or malfunction of the tailgate light cluster

Collection and Delivery Clause

- No claim will be admitted under this policy in respect of any property which is collected or delivered without a signed collection or delivery note being obtained from the authorised sender or recipient of such property at the time of collection or delivery.

Keys Clause

- It is a condition precedent to the liability of insurers to pay a claim hereunder that allvehicles being carried are fully closed and locked and all keys to those vehicles are kept on the driver's person or stored in a locked safe within the car transporter cab except when he/she is driving the vehicles onto or off the car transporter.

Towing/Lifting Warranty
All vehicles moved for which you are legally responsible shall be subject to the following terms, conditions, exclusions and/or warranties:-

- It is a condition precedent to liability that any claim submitted under this policy due to an incident arising whilst any motor vehicle is moved and/or moving under it's own power shall be excluded.
- It is hereby declared and agreed that the loading & unloading of motor vehicles covered under this policy is carried out using a professional mechanical winch or vehicle crane or lift. It is a condition that all mechanical equipment used for loading and unloading is maintained and serviced within the manufacturers guidelines &/or has the relevant engineering inspection certificate

All vehicles moved under this policy by 'tow lift'/ 'underlift' or 'rigid (or bar) tow' shall be subject to the following exclusions:-

- All claims for losses incurred by vehicles under 'soft tow' shall be excluded absolutely
- It is hereby declared and agreed that all vehicles moved under this policy shall be sufficiently packed &/or stowed &/or protected &/or protected for the rigours of transit
- All claims for mechanical &/or electrical &/or electronic breakdown or failure shall be excluded absolutely
- It is a condition precedent to liability that any operators of mechanical lifting/loading equipment have done the relevant manufacturers or appropriate training courses.
